

What Matters Most

This summer has been wonderfully busy and productive for our family. With three young children, there is always something to do and somewhere to be. But Bethlehem Ministry is always on our minds. We continue to be inspired by the special people who work so hard for the poor in northeast Haiti - people

such as Ruth Gray, Frank Marchman, and Betsy Candler who developed special programs at their churches to support the works of Bethlehem Ministry; Cindy Glover, who upon learning about the programs and success stories of *École St. Barthélémy*, took it upon herself to write some of her dear friends requesting they sponsor children at the school; and the youth groups from First Presbyterian Church and St. Gregory's Episcopal Church in Athens, GA who raised \$3,000 each to feed the poor in rural Haiti. We thank them and all of our supporters who carry the people of Haiti in their hearts and serve the people of Haiti through acts of loving kindness. Together in this way, we are making a difference in Haiti.

Peace,
